

Design Your Own Art Fundraising

Dear Parents / Carer,

We are running a 'Design Your Own Art' fundraising activity to help raise funds.

This fundraising activity will allow children to create a special art masterpiece suitable for gifts on any special occasion or as a wonderful keepsake. The children can supply a drawing or painting that can be printed onto the below products.

To order just fill in the order form below and return along with payment.

We will then receive pre-cut paper so the children can create their masterpiece and return for creation.

Final orders and payment are due before:
