Fundraising has never been easier or more fun.

Ideal for playgrounds, schools, kinders, childcare centres, or clubs.

How it Works

1. Just contact Design Your Own to book your fundraiser and select the products your organisation wishes to promote. 3 to 4 product choices is usually enough for one fundraiser.
2. Decide on the profit you would like to make on each product. A suggested markup of 20-50% would reap the most rewards.
3. We will then supply order forms so parents can place their order and payment with the organisation.
4. Contact us for artwork templates and/or pre-cut paper.
5. Using the artwork templates let the participants design their masterpieces. Any kind of painting, watercolour, crayon, stenciling or pencil drawings are suitable. (Faint pastel colours should be avoided)
6. Once all the orders and artwork has been returned, collate with names, classes and order and Return to Design Your Own for creation.
7. Orders will be dispatched within the time frame agreed upon (usually 2-3 weeks) and after payment has been received.
